# GRIP 'n DIP

Crating value from Potatoes

## Extra crunchy shaped fries with so many uses

Grip 'n Dip fries with an extra crunchy coating and U shape will bring excitement and value to your business. It can be used as a premium starter or snack perfectly created for dipping with home made sauces. As your guests return to socialising and sharing food together its ideal as part of a sharing platter, bringing fun and flavour to the table. Why not serve it with your Gourmet Burgers to deliver a real experience for your guests. The crafted appearance, shape and crunch will bring the best out of any of your meals - meat or veggie. Grip 'n Dip is perfectly suited to deliveries and takeaways. Why? Due to the special extra crunchy, gluten free coating it stays crispy and warm when delivered to your customers.
