

## PAD THAI LOADED FRIES

### Ingredients

- Aviko Sweet Potato Fries
- Prawns
- Fish sauce
- Chopped fresh chilli
- Grated fresh ginger
- Crushed garlic
- Coriander
- Crushed peanuts
- Sriracha mayo

### Pad Thai Loaded Fries

These Pad Thai loaded fries are elegant to look at, and superb to eat. Calling them dirty fries seems wrong, because they are thing of beauty. They are perfect for a 'load yourself' option to your takeaway menu.

### Method

- Stir fry fish sauce, prawns, garlic, ginger, and chilli
- Cook Aviko Sweet Potato Fries
- Package topping, fries, peanut & coriander, siracha mayo separately and deliver.

**Idea:** Why not include instructions with your delivery (or include on your website) to tell your customers how to put their loaded fries together. Add a QR code to your website or to prompt them to leave a positive review to entice other customers.
